Dedicate  
the  
1968 Tiger  
to you,  
Mrs. Ruth Spears

The annual staff takes great pleasure in dedicating the 1968 Tiger to you, MRS. SPEARS, so that in some small way, we may show our deep appreciation for your excellence in teaching, your sincere effort to stimulate academic interest, and the time, patience, and service you have given us since your first \$75 a month job at Hurley High School in 1943.

Although it may not always be obvious, we do appreciate your valued help throughout our education.

As you go out from Hurley High School to your places in the various fields of endeavor, I trust that your activities will creditably reflect the worthwhile precepts which your school has undertaken to teach. Yours is a special responsibility to uphold a superior tradition of scholarship, to become a well rounded citizen, and to adhere to only those practices which will develop you physically, mentally and morally.

It has been a distinct pleasure and privilege for me to work with you this year and I extend to you, each and every student, my sincere good wishes for a useful and happy future. Success and happiness can be yours! As your guide to success and happiness, may I cite to you these lines by Henry Van Dyke:

Four things a man must learn to do  
If he would make his record true;  
To think without confusion clearly,  
To love his fellow man sincerely  
To act from honest motives purely,  
To trust in God and Heaven securely.

1963 Graduates of  
Hurley High School

These two '63 graduates of Hurley High School were killed in a tragic car accident January, 1968. Both, Tommy and George participated in several school activities and were popular and well liked by everyone.

To these two loyal service men  
So kind and dedicated too;  
Always with a thoughtful grin  
To give to me and you.

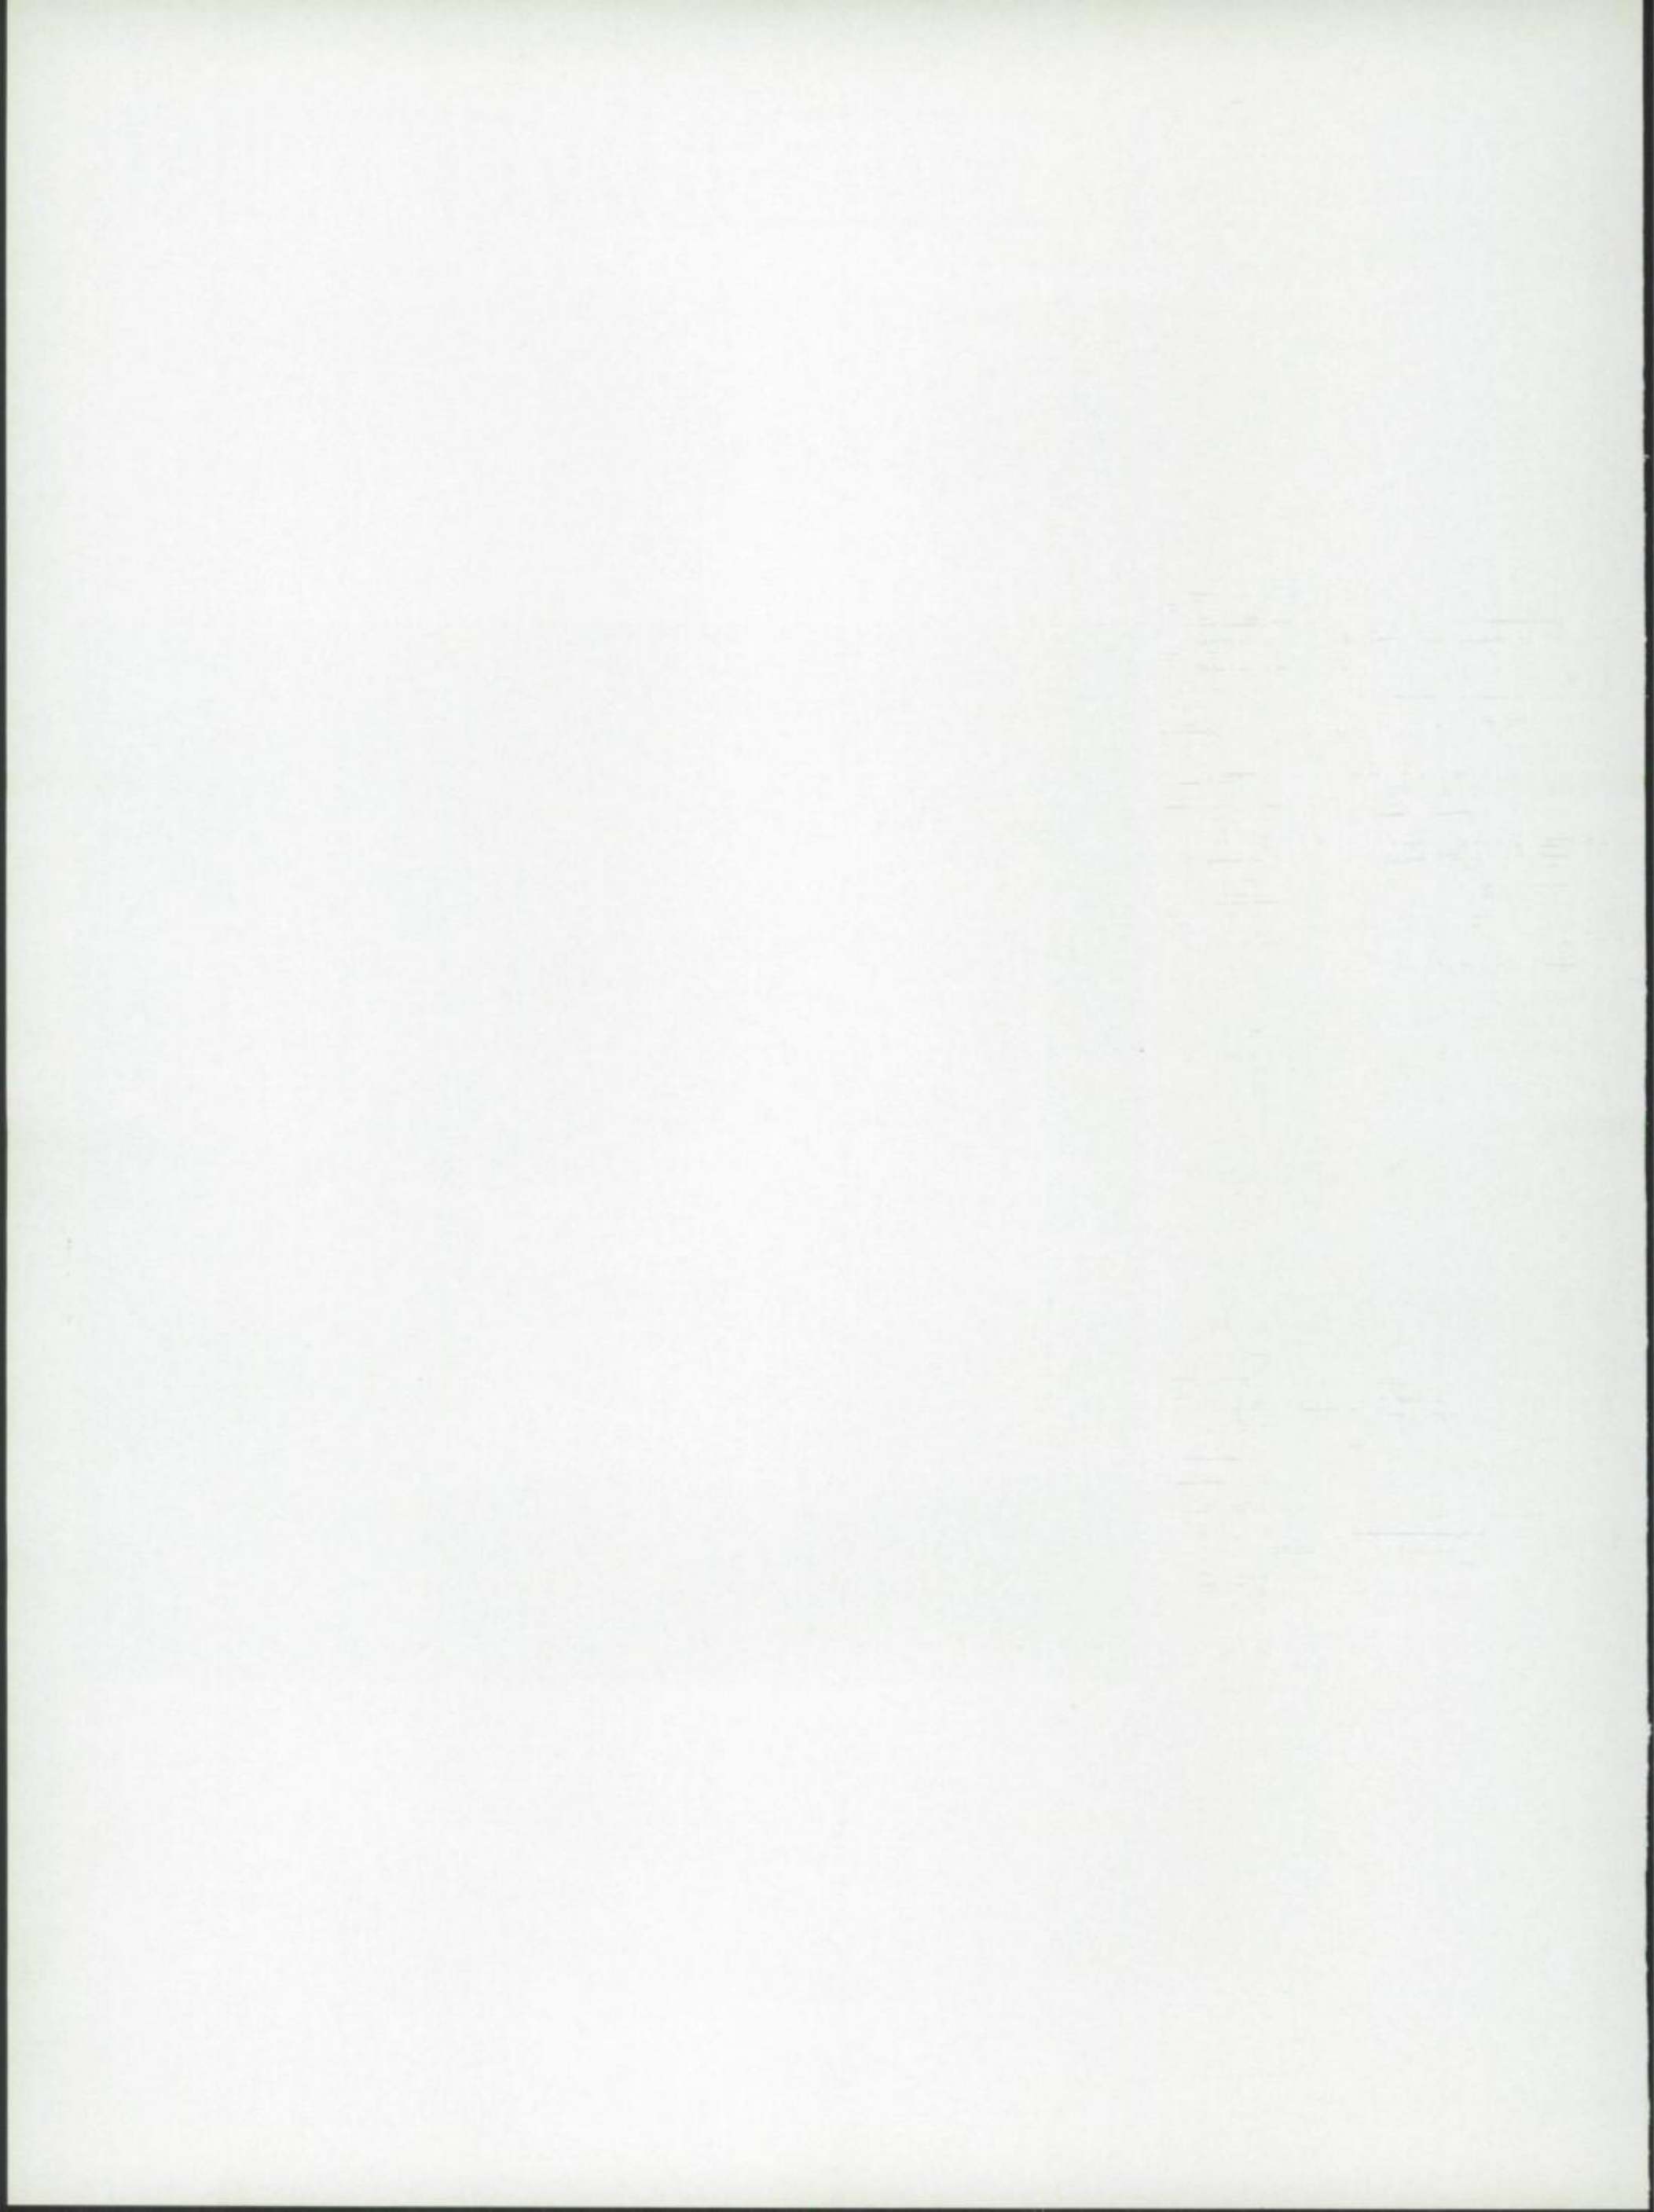

To our two loyal service men  
That gave to me and you;  
The memories that live on and on,  
When we often think of you.

Looks of happiness and nostalgic sadness are reflected on the faces of the '68 Seniors as they remember pleasant and not so pleasant times at H. H. S.

### SCHOOL SONG

So here's dear old Hurley to you,  
May we ever and always be true.  
And proudly you praises we'll sing,  
Through all ages may they ring.  
And all down through our lives we'll recall  
The School loved by us best of all.  
So here's dear old Hurley to you,  
And to your banner ever true we'll be forever.
